

PE and Sporting funding 2015-16

Our vision

At BCPS we want to achieve sustained improvements in all our PE and sporting activities which are underpinned by high-quality teaching that increases participation levels in physical activity, and leads to healthier pupils who are more engaged across the whole curriculum.

At Braunstone Community Primary School we offer a range of after school sports clubs to children from Years 1 to 6 throughout the year.

Year 5 and 6 girls are invited to join the 'Girls Club' which runs every Monday. Over the autumn, spring and winter we focus on football with trips to other schools to play matches. Our girl's football team has been successful in city wide competitions over the last few years, winning competitions and gaining entry to county competitions.

On Tuesdays, the Years 4 and 6 (and some Year 4 children) are invited to join the very popular Basketball Club led by Dave Harris (former Leicester Riders coach and player). Again we have been successful with our teams in city competitions. Last year we won the city competitions which enabled us to represent the City at the School Games competition.

The Year 5 and 6 Netball Club runs throughout the year participating in a league and city wide competitions. Over the past 10 years the school, we have been city school champions an impressive 8 times!

Our school maintains fantastic links with The Braunstone Grove Centre where children are able to use the outdoor pitches. The school and The Grove staff works closely during the day and after school to ensure the children work hard, show respect for all adults and children. Children and staff work hard together in strong teams.

Other sporting clubs include the successful football team, who again have participated in the city schools FA League, the newly formed Tag Rugby team and Cricket Club for boys and girls in the Summer Term.

For those children that do not wish to participate in competitive team sports, the school runs a fantastic street dance club which is open to all pupils from Years 1 to 6. The club is run by qualified dance coaches and the focus on working together, fun and fitness through expression and dance. The club is financed through the PE sports fund and is offered to the children free of charge.

What will our sports fund be used for?

1. The improvements in the quality of existing PE teaching through continuing professional development of our Sports Coach and other teachers so that all pupils improve their health, skills and physical literacy, and have broader exposure to a range of sports.
2. To increase participation levels in competitive sport and healthy activity of pupils, and maintain these into adolescence.

How will we make this happen?

Sports Coach to work alongside class teaching as part of their CPD in teaching PE across year groups 1 to 6 alongside a Sports Apprentice (through Leicester College).

She will, along with the Sports Apprentice, lead school teams and extra-curricular clubs as a coach and provide teachers with CPD in PE for all staff from external providers.

In 2013-14, 148 children 35% of all pupils between Year 1 and Y6 attend at least 1 extra-curricular club per week in sport or physical activity and some attend as many as 5 clubs.

Spending in 2014-15

Amount of funding received		£9,495	
Event	cost	Intended outcome	Evaluation & Impact
