

## Physical Development

### Please can you remember to bring a labelled P.E kit

- Both classes will have PE on **Tuesdays and Thursdays**.
- In PE children will learn Gymnastics that will involve balancing, movement and strength building skills.

## English

- Read and reinvent stories and role play
- Study fiction, non-fiction and poetry
- Broaden our vocabulary
- Describe using adjectives, verbs and adverbs
- Children will plan, draft and edit their own writing
- Continue to join letters using diagonal and horizontal strokes
- Shared and individual reading
- Whole class phase 5 and 6 phonics and Year 2 spelling rules

Bring your **book bag every day**.

Please read with your child and sign their reading passport- they will receive a prize!

## Information communication technology and Computing

We will...

- Learn about a camera.
- Take and organise photographs.
- Edit and enhance photos.

## Personal, Social and Emotional Development

We will...

- Continue to talk about children's rights and responsibilities.
- Discuss our emotions and to have empathy for other people's emotions.
- Think about how someone else may be feeling.

*We will continue to use 'Class Dojos'.*

*A Super Citizen will be chosen each week.*

*We will be working with UNICEF's children's rights and responsibilities charter.*

## Year 2

**Class 2RL and 2LD Mrs Dhillon and Miss Loseby**

**Our Spring term 1 topic will be...**

## **Dungeons and Dragons**

## Science and History

We will be exploring;

- What a plant needs to grow
- If a plant needs sunlight to grow
- History of castles
- Features of a castle
- Roles of people in medieval times

## Homework books-learning together at home

Your child will be sent home a new list of spelling words to learn every week. Please support their efforts by helping them to learn these as these words will help their reading. Children will also receive additional homework that may be related to their topic.

Thank You.

## Design and Technology

We will...

- Create a 3D model of a castle using different materials and functions.

## Expressive Arts

We will...

- Create Art in the style of Paul Klee
- Use watercolours to create sunsets and black silhouettes for a castle
- Sketch drawings of castles and labelling the parts

## Maths

- Division
- Multiplication
- Measuring m, cm, kg, and g
- Reading scales
- Mental Maths
- Counting on in 2s, 5s and 10s.
- 2, 5 and 10 timetables
- Estimating and Reading temperature
- Reading picture graphs

It would be useful if you could practise a few key skills with your child, such as:

- Counting in 2's, 5's and 10's
- Telling the time to o'clock, quarter past, half past and quarter to.
