

This week at Braunstone Community Primary School...

Foundation 1, Class 1NS

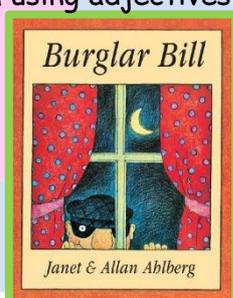

The children in class 1 have continued to settle well. It is really lovely as we are starting to see little friendships forming, we have been talking about the different seasons and some of the changes in the environment we start to notice as the weather changes.

We would like to say a big thank you to everybody who came in to support us with sports and wellbeing week and 'The Everybody's Reading Festival'. It was lovely to share these opportunities with you all and we hope there are more to come throughout the year.

Thank you to all parents who have already logged on to their child's Tapestry Learning Journey. This is a simple and fantastic way for you to see what your child has been doing at school. All you need to do is bring your email address to your child's class teacher who can log you on, download the app on your phone or tablet and you have instant access to your child learning via photos and videos at school! (This is only accessible to yourself, the class teachers and TA's). You can even share your child's learning at home with school

Year 1, Class 1JB & 1CK

This term, we have been studying the book *Burglar Bill* by Janet and Allan Ahlberg. We have thoroughly enjoyed learning the story and discovering what Burglar Bill stole (and then returned)! This week, we have focused on Burglar Bill turning over a new leaf and becoming Baker Bill. We have made our own sweet treat for the bakery before writing about them using adjectives to describe them.

Foundation 2, Class RBE & RJP

Class RJP and RBE have had a busy week! We started the week with our Sports Workshop on Tuesday. Thank you to all the parents who came to watch, support and encourage us! The children really enjoyed sharing what they have been learning in PE with Kathryn, we hope you enjoyed it too.

This week was our first week of homework! Thank you to everyone who managed to bring their Learning Log's in on Monday! Homework will go out on Wednesday every week. Children must bring in their Learning Log's in order to put the following weeks homework in their book. Children will receive a dojo point when they bring in their homework on time and completed. Thank you for your help with this.

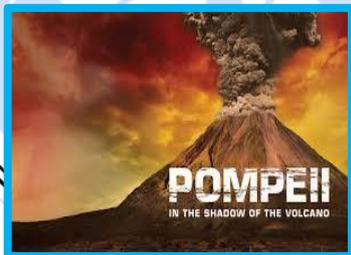

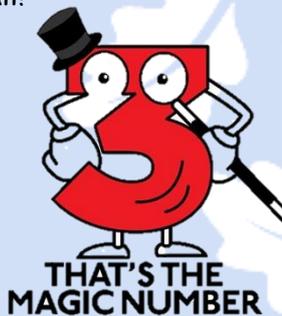

Year 2, Class 2LD & 2RL

This week in Year 2, children have been looking at everyday materials in Science. One of their investigations was to find the best waterproof roof for a house. The children made a prediction then enjoyed working in groups to investigate which material would work best. Children have also been working very hard to complete tests in spelling, reading, writing and maths. What a hardworking group of children we have!

Year 3, Class 3KS & 3MB

It has been full steam ahead in year three! The children have been working extremely hard to consistently show green learning characteristics. In English, the children have created eye catching newspaper reports to inform the rest of the school what happened in Pompeii! Also in this topic the children have created dance routines, inspired by the sounds of volcanic eruptions. After completing their first module in maths we have now started our new work on addition and subtraction. Next week we will be challenging ourselves and moving onto three-digit numbers. Keep up the green learning year three, Miss Burnside, Miss Sims and Miss Shipstone are very proud of you all!

Year 5, Class 5TG & 5BM

Year 5 had a great trip to the Black Country Living Museum. Children had the opportunity to ride the tram; experience a Victorian lesson and go into a coal mine to explore what life was like for miners. We shall be continuing to develop the knowledge we gained by creating a non-chronological report about life in the Victorian era.

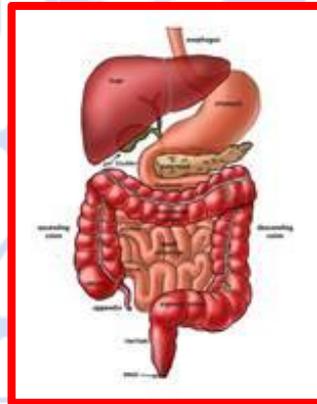

After half term, we will be sending home pre-reading material for Maths and Grammar. The expectation is that children read the information and talk about it with parents and carers. This has been most effective in other year groups as children will be aware of what we will be studying the following week. The aim is that they will then transfer their knowledge gained from the pre-reading into lessons, therefore accelerating progress. Thank you for your continued support and dedication with our children's learning.

Follow us on Twitter to find out more about our exciting lessons! @braunstone_cps

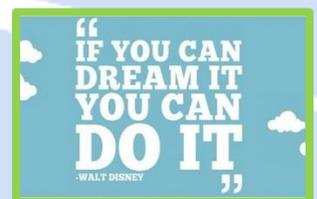

Year 4, Class 4CE & 4JG

In Science last week we learned how food is processed by our bodies. We eat something, chew it up, and our body takes all the goodness out. It is amazing. Then we have waste - we all know what that is. Poo. Ask someone in year four to explain how our bodies work to breakdown the food into energy. Try to stop them being too graphic!

Year 6, Class 6NC & 6BJ

This week in Year 6, we have been finding out about what happened to children when they were evacuated during World War Two. In English we are currently recording our own motivational speeches. They will be on the school website soon. In maths, we have been learning how to use division and rounding to solve real life problems.

Sports Days

Year 5 & 6- Monday 9th October
@ 1.45-2.45pm

Yr 3 & 4- Thursday 12th October
@ 1.45-2.45pm

There will now be a showcase of 3 sports events per year, in the Autumn, Spring & Summer terms. These will involve sports days outside on the field and also parents being invited in to watch their child's PE lesson. (More information will be given nearer the event.)

-

Pack lunches at school

At BCPS we are a 'Healthy Eating school'!
To ensure your child is eating the correct healthy foods, please make sure they have the followings foods in their lunch boxes...

- Sandwiches/ wraps
- Cereal bars/ small wafer bar
- Yogurt
- Fruit
- Drink of water/ juice

Miss Smith's Skydive!

I would just like to say a big thank you to all of the children and parents for participating in non-school uniform day. As a school you helped me raise a massive £352 towards the total target of my £1000 for the charity H.C.P.T. I managed to reach the overall target on Saturday afternoon before completing the sky dive on Sunday.

Food we SHOULDN'T be having in our pack lunch boxes...

- Chocolate bars
- Sweets
- Fizzy drinks/ energy drinks
- Crisps

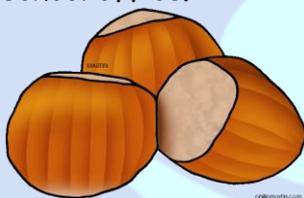

School Meals

If you would like your child to have a school meal we ask that you order and pay upfront for the meal at the beginning of the week on Monday. A meal is £2 per day/ £10 per week.

Nut products

Please do not send your child to school with any food products containing nuts. We have children with severe nut allergies and this could be harmful. If you are unsure about foods that contains nuts, please check the packaging or ask at the school office.

Family Support

Our family support worker, Jayne Lister is in school every Monday, Wednesday & Friday. Jayne is based at Braunstone Community and is available to provide support for

- Positive parenting support,
- Behaviour techniques,
- Referral to other agencies

To book an appointment with Jayne, please call **07525313277**

Jewellery

Due to health and safety regulations, jewellery is not allowed to be worn in school. The exception of small stud earrings is an exception, however they need to be removed for PE lessons and swimming. This is to prevent injury and misplacement. Hooped earrings are **not** permitted.

Disabled Parking bays at BCPS

Our disabled bays in the school car park need to be kept clear for families, staff and visitors that require them. All cars parking in these bays **MUST** display a blue disability badge. You will be asked to move if parking in the bays without a badge.

Term Dates- IMPORTANT NOTICE

Braunstone Community Primary School is part of the Discovery Schools Academy Trust, DSAT. As we are now working in collaboration with DSAT, the school wishes to have a joint Teacher Training Day in conjunction with some of the other Trust schools. Therefore, following consultation with the School's Advisory Board they have approved the amendment. Braunstone Community Primary School has informed all parents and updated the website, that the Teacher Training day will now be held on 20th December 2017, and therefore the last day the school will be open to pupils in the Autumn term will be on 19th December 2017. School will reopen to both pupils and staff on 8th January 2018.

Vacancy

Our School needs YOU!!!
An exciting opportunity is available for parents/carers to join our Local Advisory Board at Braunstone Community Primary School. We are seeking parents who are enthusiastic about the success of the school and the wellbeing of its staff and pupils and would like to work as part of a team actively promoting and supporting the school's vision and values. Our Advisory Board is made up of parents, staff and individuals from the community that could add value and support the strategic development of the school. If you are interested further information is available from reception.
