This week at Braunstone Community Primary School...

Exciting News!

Our school has recently enrolled with 2 new projects:

- ECO School Grounds Project (Supported By Wilko's) and
- The soil association Food for Life Schools award programme.

We have two advisory committees in school made up of children and staff to support the two programmes. We have recently gained our Bronze award for ECO Schools and are now aiming for Silver!

This is a fantastic opportunity to work with other organisations who can support the school, looking to provide healthy school meals and food education that has a positive impact on both pupils and the wider community. We hope to involve parents in our journey and will be holding a community day in June for parents/ carers! (More information will follow nearer the time)

Food for life have provided us with a healthy pack lunch checklist to share with you, which we have attached to this newsletter. We hope you find this useful!

Last week, we had some visitors from Google to deliver an assembly about internet safety! We are now 'internet legends'! Children learned how to be safe and confident explorers of the online world. Jennifer said "it was absolutely awesome to visit your fantastic school, such a warm welcome from all of your polite and friendly pupils!" Leaflets are available at the school office if you would like some more information on internet safety.

F1 & F2 will be having an Easter craft morning for parents, carers and family members on Wednesday 10th April.

- 8.30-10am F1 morning nursery children and F2
- 12-1.30pm for F1 afternoon nursery children.

We will also be hosting an Easter Bonnet Parade, so feel free to make one at home and bring it with you on the morning! We hope to see you all there!

Attendance

Whole school attendance should be 96.4% or above as set by the Government. We have high expectations for all our pupils and have set a school and individual target of 97%. Our current attendance year-to-date is 95.63%. We are delighted to see that it is improving, with improved punctuality and attendance this will continue to increase and help us to continue to reach our target. We know that the more children come to school, the more they learn and the more successful they will be at school.

We realise that from time to time it may be necessary for you to keep your child off from school. In order to record your child's absence correctly, we would ask that you advise the school by:

Ringling the school office on the first day of absence on 0116 2858130 or inform the class teacher if you bring other siblings to school. If it is necessary to keep your child off for more than one day please continue to keep us informed.

If we receive no communication from you, we are legally required to record a mark of unauthorised absence; this could result in the Education Welfare Office being contacted.

Medical appointments

Please, where possible, avoid routine medical appointments within school time. Every second of learning counts!

If your child is absent for a medical reason you will need to provide medical evidence e.g. appointment card/clinic letter or appointment confirmation text sent by the NHS.

Child protection and children at risk

Child protection means protecting children from physical, emotional, sexual abuse or neglect. It also means helping children to grow up into confident, healthy and happy adults. If you are concerned about the safety and welfare of a child in Leicester, please contact us by calling 0116 454 1004 (24 hour service) or the police on 0116 222 2222. You can also visit our customer services centre on 91 Granby Street LE1 6FB to call us from a free telephone.
