## Attendance

Whole school attendance should be 96.4% or above as set by the Government. We have high expectations for all our pupils and have set a school and individual target of 97%. Our current attendance year-to-date is **95.66%**. We are delighted to see that it is improving, with improved punctuality and attendance this will continue to increase and help us to continue to reach our target. We know that the more children come to school, the more they learn and the more successful they will be at school.

**ATTENDANCE MATTERS**

Attendance By Form between 27/08/2018 and 21/03/2019

We realise that from time to time it may be necessary for you to keep your child off from school. In order to record your child's absence correctly, we would ask that you advise the school by:

Ringing the school office on the first day of absence on 0116 2858130 or inform the class teacher if you bring other siblings to school. If it is necessary to keep your child off for more than one day please continue to keep us informed.

If we receive no communication from you, we are legally required to record a mark of unauthorised absence; this could result in the Education Welfare Office being contacted.

### Medical appointments

Please, where possible, avoid routine medical appointments within school time. Every second of learning counts!

If your child is absent for a medical reason you will need to provide medical evidence e.g. appointment card/clinic letter or appointment confirmation text sent by the NHS.
