

Message from Mr T

Hello Parents and carers,

We are so privileged to have your children at this school! They are the most caring, loving and eager to please children I have ever had the pleasure of working with. You must be so very proud of them. Let me give you a couple of examples of how amazing they are.

- It is currently Ramadan (religious celebration observed by Muslims) and we have many staff and children who are fasting (including myself). So many of the children have been checking in on me and the others who are fasting – making sure we are alright. #belong #care
- Your children really want to help others. They have decided, through the school council, to sponsor a local homeless charity – ‘Help The Homeless Leicester’. They always put others first. We as a school will always put your children first. #care
- Our key word is **PERSEVERE**. So many of the children have been working hard to improve something about themselves. I have spoken to so many children who have shown me how they have worked hard to improve their handwriting, times tables and reading. They are amazing. Please keep supporting them at home to further improve on these things – ask your child’s teacher for support if you are unsure, they are more than happy to help. #persevere #succeed Please remember we are always here for you too. If you need any support please come and speak to us and we will do all that we can to help. Stay safe! Mr T.

Foundation Stage 2

Miss Higgs and Mr Ward's classes have been working hard this half term on using their phonics to sound out and write words to create a sentence. They have also been exploring the number '13' this week in maths and finding different numbers that add together to make 13; writing them as number sentences. Keep up the great work!

Healthyeating4schools are offering some FREE cook along sessions in our area. A fantastic opportunity! Read the flyer below and get signed up or ask the office if you need any help in doing this ...

Cookalong!

Football Aspirations

Last week our Year 6 were visited by international footballer for Tanzania Ben Starkie. He spoke to them about his amazing journey from being a youth player at LFC to playing in Germany and for his country. This was such an inspiring opportunity for our children and really reiterated our school values; 'persevere' and 'succeed'; reminding us that anything is possible if you put your mind to it and work hard!

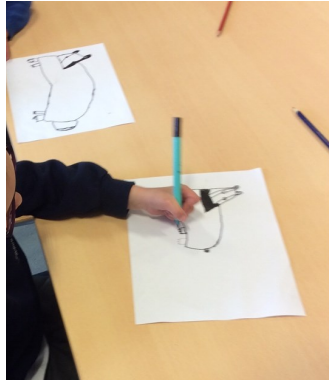

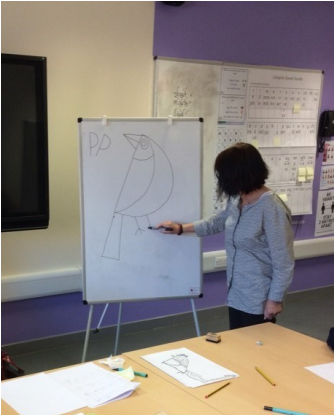

Year 1 get creative!

Last week, an artist called Kirsty Whitrow came into school to create some artwork with Year 1. The artwork had a nature theme with the children trying really hard to draw a range of different animals. This artwork will be used by Kirsty to paint an amazing mural on the wall outside Miss Jeffery's classroom.

We can't wait for you to see the finished master piece!

Clubs are back!

It has been fantastic to see our after school clubs up and running again this week and the children enjoying themselves. We have an allotment club for each year group in KS2, where children have been out in the allotment planting and enjoying creative arts with different natural materials. We also have a multi sports club run by Jonny our sports coach. We still have spaces for children to attend clubs so if you are interested please speak to the office.

Multi Sports club and Allotment club

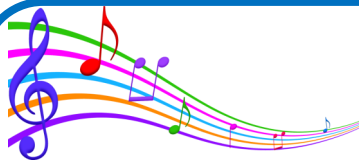

Monday - Year 4—3pm - 4pm

Tuesday - Year 3—3pm - 4pm

Wednesday - Year 6—3.15pm - 4pm

Thursday - Year 5—3.15pm - 4pm

Steel Pans at BCPS

Year 4 had an amazing time when they were visited by Phil and Pat from Leicestershire Music Services. They are steel pan experts! The children had lots of opportunities to play the steel pans, learn about the different notes, play chords and even learn a short piece to perform. All the children really persevered (even though it was the first time they had played the pans) and were so confident. The teachers couldn't help them selves and had to get involved too! It was a brilliant experience and we will hopefully work again with them very soon!

Parking/Driving on Wellinger Way

Please be mindful of parking on Wellinger Way at pick up and drop off times. This week, dangerous parking and driving has been reported. We have also been advised that it has been reported to the local police. We thank you for your support with this in keeping our children, our families and our community safe.

TIMES TABLES ROCKSTARS

Year 3,4,5,6 please make sure you are spending **as much time as possible on Times tables Rockstars as part of your homework**. Knowing your timestables is SO important and practice makes perfect! Keep working hard as your teachers will be checking regularly how well you are getting on!
