

Message from Mr T

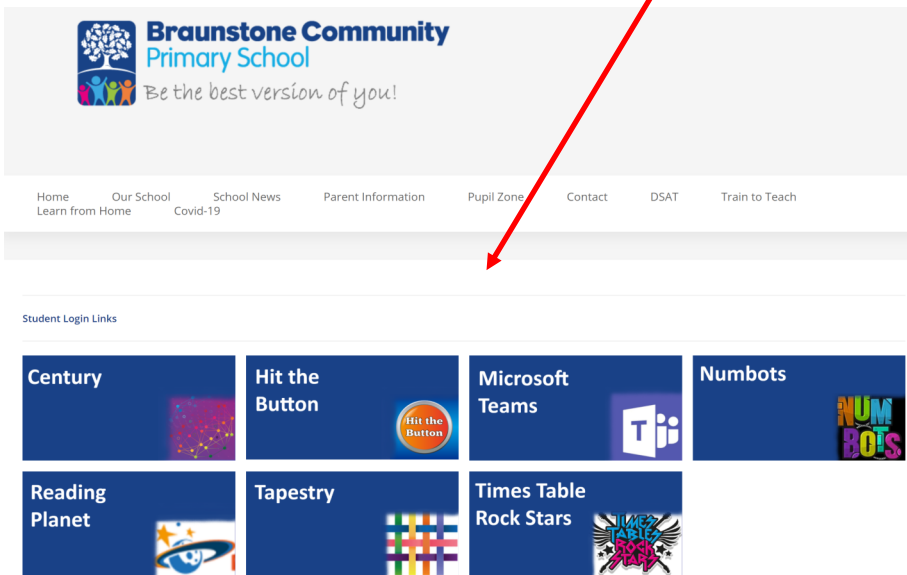

Hello Parents and carers,

We hope you are safe and well. We have made it through January and Spring is starting to feel a little bit closer. This week we have been celebrating 'Children's Mental Health Week' in school and I know your children have been sent lots of wellbeing activities, assemblies and videos at home too. Thank you for getting involved in these and also a huge thank you to all the parents that have been making sure your children are engaging in their home learning—this really will make all the difference to our children. **As always, we urge you to please keep doing all you can to support and encourage your children with their learning at home. It is vital so they do not miss out or fall behind!** We are here for any support you need.

You can find all the buttons that take you to any of the online learning programs on our school website homepage (it looks like the picture below)

Our 'Star of the Week' prizes ready to be sent home!

Have a look at all the brilliant things children and families have been doing during this week's 'Children's Mental Health' ...

'Story Time with Mr T' has been shared across the school this week.

These are a series of videos that have been posted on Tapestry and Teams for the children to enjoy.

Our children in F1, F2 and Year 1 have enjoyed a series of videos throughout the week from Mrs Cooper and her friend William talking about worries and how we can deal with them.

They are all on Tapestry for you to enjoy still!

A story made up by one of our F1 children with his mum all about his feelings.

Kacper, mama & daddy went to the shop today. Kacper was very HAPPY because the sun was shinning.
 On the way to the shop, Kacper tried to catch a squirrel and was very SAD when it ran away but mama and daddy explained that the squirrel is SCARED. Kacper was HAPPY knowing the squirrel was going back to its family. We got to the shop, we bought milk, eggs & Kacper's favourite treat! Kacper was very EXCITED.
 When we got home daddy and Kacper played with construction while mama made dinner.
 Now dinner is ready and we went to wash our hands.
 Kacper and daddy were SMILING when mama made chicken soup for dinner as it's their favourite!

Next Tuesday, the **9th February** is 'Safer Internet Day'. We will be promoting this in school as it is more important now than ever that our children know how to keep themselves safe on the internet. All children will be having an assembly/lesson delivered by teachers and an exciting competition to enter where they could win themselves an Amazon voucher!

We have **text out a 'Parent's Guide to a Safer Internet'** which we encourage you to read through and have a look at the simple rules with your children.

You can also find this and all our other internet safety information on our website. Here is the link: <https://braunstone.leicester.sch.uk/parent-information/esafety>

Shout Out

BCPS also want to say a huge thank you to the music license company 'PPLPRS Ltd' who have donated six laptops to the school.

These will go a long way in helping children to access their online learning both in school and at home.
Thank you!

We wanted to say a very big thank you to all the parents, children and members of the school community who have sent us such lovely messages. Here are just a few from this week...

"I wanted to say how supportive the school have been with; telephone calls and offers of support in this really hard time. It has been amazing, and we really appreciate it. Thank you!" **Year 6 parent**

'Thank you so much for the support the school are giving us. It has been lovely to talk over the phone and for a doorstep visit. We are very grateful for all you do!' **Year FS and 4 Parent**

'Thank you for the PE lessons Mr Durham. I love them and I hope we do lots more' **Year 4 pupil**
